Dynamic Coalition on Community Connectivity (DC3)

1. **SDG to which your DC work is most strongly related to**

   - GOAL 8: Decent Work and Economic Growth
   - GOAL 9: Industry, Innovation and Infrastructure
   - GOAL 10: Reduced Inequality
   - GOAL 17: Partnerships to achieve the Goal

2. **Outline achievements of your DC in regard to that SDG**

The Dynamic Coalition on Community Connectivity (DC3) has produced substantial research and policy proposal with regard to community networks and their potential to expand connectivity, empower individuals and allow everyone to enjoy network self-determination i.e. the freedom to develop network infrastructure. (see http://tinyurl.com/IGFDC3). Most notably the Community Network Manual (2018) and the 2019 DC3 outcome dedicated to Building Community Network Policies have been published in partnership with the International Telecommunication Union (ITU)

3. **Outline plans towards 2025 and that specific SDG**

The DC3 plans to explore how community network can concretely be used to foster the achievement of the UN SDGs, fostering multistakeholder partnerships and, particularly, establishing a closer cooperation with national regulators and international organizations interested in community networks.
The work of DC3 directly relates to:
8: Decent Work and Economic Growth
9: Industry, Innovation and Infrastructure
10: Reduced Inequality
17: Partnerships for the Goals

4. **List Policy Question related to the work of your DC and in regard to the specific SDG**

What is the potential of Community Networks to help achieving the SDGs with particular regard to the expansion of infrastructure and the empowerment of unconnected individuals?
