6 November 2020	
10:50-11:50 UTC	<p>OF #28 Swiss Open Forum on Self-Determination in the Digital Space</p> <p>During this session, members of the Swiss Digital Self-Determination network will present their work to enhance civic and economic participation in the digital space, based on the values of self-determination and will elaborate on concrete use cases to promote high-quality data spaces that allow reliable data exchange between all stakeholders. The session will also gather international inputs and views on this initiative, with a view of considering the development of an international network.</p> <p>https://www.intgovforum.org/multilingual/content/igf-2020-of-28-swiss-open-forum-on-self-determination-in-the-digital-space</p>
13:10-14:10 UTC	<p>OF #49 Upholding Rights in the State-Business Nexus: C19 and beyond</p> <p>This session will focus on strategies and practices to advance human rights when governments procure, license or form partnerships to make use of new digital technologies. In a context where contact tracing-apps are developed through public-private partnerships, States should take additional steps to protect against human rights abuses by business enterprises that receive substantial support and services from State agencies and where appropriate, require human rights due diligence.</p>
